The effective date of this Settlement Agreement shall be the date upon which it is fully executed by all Parties hereto (the "Effective Date").

1.0 Introduction

1.1 CAG is a California-based entity that seeks to promote awareness of exposures to toxic chemicals and improve human health by reducing or eliminating hazardous substances contained in consumer and industrial products.

On December 2, 2005, the Governor of California added Di-*n*-butyl Phthalate (DBP) to the list of chemicals known to the State to cause developmental, female, and male reproductive toxicity. All additions took place more than twenty (20) months before CAG served its "Sixty-Day Notice of Intent To Sue For Violations Of The Safe Drinking Water And Toxic Enforcement Act of 1986" which is further described below.

1.5 Di (2-ethylhexyl) phthalate (DEHP) and Di-*n*-butyl Phthalate (DBP) are referred to hereafter as the "Listed Chemicals."

The Notice alleged that Ashko violated Proposition 65 by failing to warn consumers in California that use of "Sky Sole® Sandals Black, Size (13-1)" exposes persons to DEHP and DBP.
- 1.9 The Parties enter into this Settlement Agreement to settle disputed claims between the Parties as set forth below concerning the Parties' and the Covered Products' compliance with Proposition 65 (the "Dispute").
- 1.10 By execution of this Settlement Agreement, the Parties do not admit any facts or conclusions of law, including, but not limited to, any facts or conclusions

of law regarding any violation of Proposition 65, or any other statutory, regulatory, common law, or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by the Parties of any fact, conclusion of law, issue of law, or violation of law. Nothing in this Settlement Agreement, nor compliance with its terms, shall constitute or be construed, considered, offered, or admitted as evidence of an admission or evidence of fault, wrongdoing, or liability by Ashko, its officers, directors, employees, or parents, subsidiaries or affiliated corporations, in any administrative or judicial proceeding or litigation in any court, agency, or forum. Except for the allegations settled and compromised, nothing in this Settlement Agreement shall prejudice, waive, or impair any right, remedy, argument, or defense that CAG or Ashko may have against one another in any other pending legal proceeding as to allegations unrelated to the Dispute or claims released herein.

2.0 Release

This Settlement Agreement is a full, final, and binding resolution between CAG, on the one hand, and (a) Ashko, and its owners, parents, subsidiaries, affiliates, sister and related companies, employees, shareholders, officers, directors, insurers, attorneys, predecessors, successors, and assigns (collectively "Releasees") and (b) all entities to whom Releasees directly or indirectly provide, distribute or sell the Covered Products, including but not limited to distributors, wholesalers, customers, retailers, including but not limited to The TJX Companies, Inc., and Big Lots Stores, Inc., franchisees, cooperative members, and licensees ("Downstream Releasees"), on the other hand, of any violation or claimed violation of Proposition 65 or any statutory or common law claim

that has been or could have been asserted against the Releasees and Downstream Releasees regarding exposing persons to the Listed Chemicals and the failure to warn about exposure to the Listed Chemicals arising only in connection with the Covered Products manufactured, shipped and/or otherwise distributed prior to the Effective Date, even if sold by Downstream Releasees after the Effective Date. Ashko's compliance with this Settlement Agreement shall constitute compliance with Proposition 65 with respect to the Listed Chemicals in the Covered Products for both Releasees and Downstream Releasees for any Covered Products distributed and/or sold by Releasees or Downstream Releasees after the Effective Date.

CAG, its past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives and releases with respect to the Covered Products all rights to institute or participate in, directly or indirectly, any form of legal action, including, without limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses, or expenses (including, but not limited to, investigation fees, expert fees, and attorneys' fees) (collectively "Claims"), against Releasees and/or Downstream Releasees that arise under Proposition 65 or any other statutory or common law claims that were or could have been asserted, only to the extent that such claims relate to Releasees' and/or Downstream Releasees' alleged exposure of persons to the Listed Chemicals contained in the Covered Products or any failure by Releasees and Downstream Releasees to warn about exposures to the Listed Chemicals contained in the Covered Products.

It is intended by the Parties that the releases provided in this Paragraph 2.0 shall prevent CAG from asserting any Claims against Releasees and/or Downstream Releasees

that arise under Proposition 65 or any other statutory or common law, to the extent that such claims relate to Releasees' and/or Downstream Releasees' alleged exposure of persons to the Listed Chemicals or any failure by Releasees and Downstream Releasees to warn about exposures to the Listed Chemicals in the Covered Products.

CAG, its past and current agents, representatives, attorneys, successors, and/or assignees, provide a general release herein which shall be effective as a full and final accord and satisfaction, as a bar to all actions, causes of action, obligations, costs, expenses, attorneys' fees, damages, losses, claims, liabilities and demands of any nature, character or kind, known or unknown, suspected or unsuspected, against Releasees and Downstream Releasees arising under Proposition 65, only to the extent that such claims relate to Releasees' alleged exposure of persons to the Listed Chemicals in the Covered Products, and the failure to warn about exposures to the Listed Chemicals contained in the Covered Products sold by Releasees and/or Downstream Releasees through the Effective Date of this Settlement Agreement. CAG acknowledges that it is familiar with Section 1542 of Civil Code, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM MUST HAVE MATERIALLY AFFECTED HIS SETTLEMENT WITH THE DEBTOR.

CAG, its past and current agents, representatives, attorneys, successors, and/or assignees expressly waives and relinquishes any and all rights and benefits which it may have under, or which may be conferred on it by the provisions of Civil Code § 1542 as

well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that it may lawfully waive such rights or benefits pertaining to the released matters.
